

EMERGENCY ORDER OF LOCAL HEALTH OFFICER

Emergency Public Health Order issued on this 25th day of March 2020 to mitigate the spread of the Coronavirus (COVID-19) epidemic in Sumner County, Kansas, pursuant to the authority provided in K.S.A. 65-129b and K.S.A. 65-202 and other applicable laws or regulations

WHEREAS, the Local Health Officer is authorized and required, pursuant to K.S.A 65-1419, K.S.A. 65-129b and K.S.A. 65-202 to immediately exercise and maintain a supervision over known or suspected cases of any infectious or contagious disease during its continuance, and to issue orders seeing that all such cases are properly handled and that the provisions of the Kansas public health laws as to isolation, quarantine and disinfection are duly enforced; and

WHEREAS, the Local Health Officer is appointed by the Board of County Commissioners and is authorized to prohibit public gatherings when necessary for the control of any and all infectious or contagious diseases, pursuant to K.S.A. 65-119; and

WHEREAS, on the 24th day of March, 2020, the Board of County Commissioners of Sumner County, Kansas found that a disaster had occurred, or the threat thereof was imminent within Sumner County, Kansas, as a result of the Coronavirus pandemic (COVID-19) in the United States.

WHEREAS, to reduce spread of COVID-19, the United States Centers for Disease Control and Prevention (CDC), the Kansas Department of Health and Environment (KDHE) and the Sumner County Health Officer, all recommend implementation of community mitigation strategies to increase containment of the virus, including cancellation of large gatherings and social distancing in smaller gatherings; and

WHEREAS, to reduce the spread of COVID-19, the United States Center for Disease Control (CDC), the Kansas Department of Health and Environment (KDHE), and the Sumner County Local Health Officer, all recommend implementation of community mitigation strategies to increase containment of COVID-19, including cancellation of large gatherings and social distancing in small gatherings; and

WHEREAS, THE WORLDWIDE OUTBREAK OF COVID-19 AND THE RESULTING EPIDEMIC IN Kansas continue to threaten the life and health of our citizens and visitors as well as the economy and remains a public disaster affecting life, health, property and the public peace.

WHEREAS, the public health order to stay at home is being issued to slow the rate of community spread of COVID-19 through intensified social distancing. It is estimated that each COVID-19 positive person could infect between 2.6 to 4 other people. Furthermore, there is

emerging evidence of transmission among pre-symptomatic and asymptomatic people, making routine case-finding and exposure tracing strategies insufficient. Social distancing strategies are effective when implementation of this strategy is even more important in the context of limited available testing. With full community cooperation, this proactive health order can minimize the impact of COVID-19 on our Sumner County community.

NOW, THEREFORE, BE IT ORDERED by the Sumner County Local Health Officer, pursuant to the above authorities that:

Section 1. Definitions and Exemptions

- A. For purposes of the Order. “Social Distancing Requirements: means maintaining at least 6 feet of social distancing from other individuals, washing hands with soap and water for at least 20 seconds as frequently as possible or using hand sanitizer, covering coughs and sneezes (into the sleeve or elbow, not hands), regularly cleaning high-touch surfaces, and not shaking hands.

- B. For purposes of this Order, individuals are directed to stay at home and leave their residence only to perform any of the following “Essential Activities” as described below. All businesses and operations in Sumner County, except Essential Businesses as defined below, are required to cease all activities at their places of business, although such businesses may also continue operations consisting exclusively of employees or contractors performing activities from their own residences (i.e., working from home). People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence except as necessary to seek medical care.
 - i. To engage in activities or perform tasks essential to their health and safety or to the health and safety of their family or household members (including, but not limited to, pets) such as, by way of example only and without limitation, obtaining medical supplies or medication, or visiting a health care professional;

 - ii. To obtain necessary services or supplies for themselves and their family or household members, to obtain supplies they need to work from home, or to deliver those services or supplies to others, such as by way of example only and without limitation, canned food, dry goods, fresh fruits and vegetables, pet supplies, fresh meats, fish, and poultry, and any other household consumer products, and products necessary to maintain the safety, sanitation, and essential operation of residences;

 - iii. To engage in outdoor activity, provided the individuals comply with Social Distancing Requirements as defined in this Section, such as, by way of example and with limitation, walking, hiking, or running. Individuals may use parks or other public areas. However, use of playground equipment is discouraged;

- iv. To perform work providing essential products and services at an Essential Business or to otherwise carry out activities specifically permitted in this Order;
 - v. To care for a family member or pet in another household, or engage in transportation or to transport the family member or pet to provide for such care;
 - vi. To comply with valid court or administrative orders;
 - vii. To work for or obtain services at any "Healthcare Operations" location including hospitals, clinics, dentists, pharmacies, pharmaceutical, and biotechnology companies, other home healthcare facilities, healthcare suppliers, home healthcare services providers, mental health providers, or any related and/or ancillary healthcare services. "Healthcare Operations" also includes veterinary care and all healthcare services provided to animals. This exemption shall be construed broadly to avoid any impacts on the delivery of healthcare, broadly defined. "Healthcare Operations" does not include activities at fitness and exercise gyms and similar facilities;
 - viii. To provide any services or perform any work necessary to the operations and maintenance of "essential Infrastructure," including, but not limited to, public works construction, construction of housing (in particular affordable housing or housing for individuals experiencing homelessness), airport operations, aerospace, national defense, water, sewer, gas, electrical, oil refining, roads and highways, public transportation, solid waste collection and removal, internet and telecommunications systems (including the provision of essential global, national, and local infrastructure for computing services, business infrastructure, communications, and web-based services), provided that individuals carry out those services or that work in compliance with Social Distancing Requirements as defined in this Section to the extent possible.
- C. For purposes of this Order, all first responders, public health, emergency personnel essential responders to the County's emergency operations center, emergency dispatchers, court personnel, and law enforcement personnel, and others working for or to support Essential Businesses are categorically exempt from this Order. Further, nothing in this Order shall prohibit any individual from performing or accessing "Essential Governmental Functions" provided said individuals perform these duties following the guidance of the Local Health Officer or delegated public health personnel. Essential Governmental functions means all services needed to ensure the continuing operation of the government agencies and provide for the health, safety and welfare of the public, including judicial functions. All Essential Governmental functions shall be performed in compliance with Social Distancing Requirements as defined this Section, to the extent possible
- D. For purposes of this Order, covered businesses include any for-profit, non-profit, or

educational entities, regardless of the nature of the service, the function they perform, or its corporate or entity structure.

- E. For purposes of this Order, "Essential Businesses" means:
- i. Healthcare Operations, Essential Infrastructure, and Essential Governmental Functions;
 - ii. Grocery stores, certified farmers' markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of canned foods, dry good, fresh fruits and vegetables, pet supply, fresh meats, fish and poultry, liquor stores, and any other household consumer products (such as cleaning and personal care products). This includes stores that sell groceries and also sell other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operation of residences; however, the touching of unpacked baked good is prohibited.
 - iii. Food cultivation, including farming, livestock, and fishing;
 - iv. Human and animal food processing facility workers;
 - v. Businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals;
 - vi. Newspapers, television, radio, and other media services;
 - vii. Gas stations and auto-supply, auto-repair and servicing, emergency road services, and related facilities;
 - viii. Banks and related financial institutions;
 - ix. Hardware stores;
 - x. Plumbers, electricians, exterminators, construction, cleaning and janitorial staff, security staff, HVAC, painting, moving and relocation services, lawn care and landscaping and other trades and services providers who provide services that are necessary to maintain the safety, sanitation, and essential operation of residences, Essential Business
 - xi. Businesses providing mailing and shipping services, including post office boxes
 - xii. Educational institutions, which includes public and private K-12 schools, colleges, and universities, for purposes of facilitating distance learning or performing essential functions related to distance learning and support to other essential

businesses (such as transportation and law enforcement), provided that social distancing of 6-feet per person is maintained to the greatest extent possible. School buildings may be used if needed to house individuals, distribute food, provide medical care, distance learning or any other services deemed necessary to protect the life and property and other critical resource;

- xiii. Laundromats, dry cleaners, and laundry service providers;
- xiv. Restaurants and other facilities that prepare and serve food and/or beverages, but only for drive thru, delivery, or carry out and not for consumption of food and/or beverages on the premises. Schools and other entities that typically provide free food services to students or members of the public may continue to do so under this Order on the condition that the food is provided to students or members of the public on a pick-up and takeaway basis only. Schools and other entities that provide food services under this exemption shall not permit food to be eaten at the site where it is provided, or at any other gathering site;
- xv. Businesses that supply products needed for people to work from home;
- xvi. Businesses that supply other Essential Businesses with the support or supplies necessary to operate;
- xvii. Businesses that ship or deliver groceries, food, beverages, goods or services directly to residences;
- xviii. Taxis, aircraft, commercial transportation and logistics providers and services and other transportation providers providing transportation services necessary for Essential Activities and other purposes expressly authorized in this Order;
- xix. Home-based care for seniors, adults, or children;
- xx. Residential facilities and shelters for seniors, adults, and children.
- xxi. Professional services, such as legal services, accounting services, real estate services, and insurance services;
- xxii. Childcare facilities providing services that enable employees exempted from this Order to work as permitted. To the extent possible, childcare facilities must operate under the following mandatory conditions:
 - a. Childcare must be carried out in stable groups of 10 or fewer (“stable” means that the same 10 or fewer children are in the same group each day);
 - b. Children shall not change from one group to another;

operating hours for elderly and vulnerable customers;

- iv. Online and remote access. online whether a facility is open and how to best reach the facility and continue services by phone or remotely;
- v. Protective equipment. As supplies are currently available and become available, providing employees who have frequent contact with the public with protective equipment, including but not limited to gloves and masks.

Section 3. All large public gatherings of people in Sumner County are prohibited unless otherwise ordered by the Local Health Officer or the Board of County Commissioners, sitting as the Board of Health. Large public gatherings are those with more than ten (10) people in attendance or anticipated to attend, both indoor and outdoor, except for Essential Businesses. A “gathering” does not include normal operations at spaces where persons may be transit or coming and going individually or in groups of less than ten (10) persons. For all gatherings of people, the Local Health Officer strongly encourages everyone to follow the guidance provided by the CDC, and federal, state and local public health officials and private medical providers.

Section 4. Pursuant to K.S.A.65-129b, any sheriff, deputy sheriff or other law enforcement officer of the state or any political subdivision within Sumner County, Kansas, is hereby ordered to assist in the execution or enforcement of this order.

Section 5. This Order may be supplemented or modified as required for the effective and efficient management and control of the Coronavirus epidemic in the county by further order or direction of the Sumner County Board of Public Health or by the Sumner County Local Health Officer.

Section 6. This Order is effective at 12:01 A.M. on Friday, March 27, 2020, and shall remain in effect for 30 days, until April 25, 2020, unless otherwise amended, superseded, or rescinded.

IT IS SO ORDERED THIS 25TH DAY OF MARCH, 2020.

LAURA M RETTIG
Sumner County Health Officer
