

December 15, 2020

Nick Hernandez and fellow Commissioners;

It is with a heavy heart that I am submitting this letter of resignation from the commission and the mayorship effective immediately today, December 15, 2020. Life has dealt out many challenges in our world that have perhaps caused many people to act inappropriately but I do not feel safe in this position anymore and am hopeful in removing myself this anger, accusations and abuse will not fall on anyone else and will calm down.

I will always call Dodge City home and hold the town and community in high esteem. It has been an honor and a privilege to serve this city and has given me some of the best memories of my life. Dodge City is a wonderful place to live, work, play and raise a family. I look forward to watching fellow commissioners continue to move this great community to even higher levels of success.

I want to thank all of the city employees for their help and support while I served. You all are amazing and are absolutely the heart of our city. I can't begin to thank each and everyone of you enough for all you do...but know you are appreciated.

I want to thank my fellow commissioners who have educated me, worked with me, and been there as a team for the best interest of our beloved community. You are incredible people and Dodge City is very fortunate to have voted you to the commission. Kent and Rick, you are the rocks that we have learned from and you are both absolutely amazing and it gives me peace to know you will be there for at least two more years.

Thank you to you, Nick Hernandez. It has been a pleasure working with you and it gives me so much pride to know that I was a part of bringing you and your lovely family to Dodge City. I feel the city is absolutely in the right hands with your knowledge base and professionalism. Thank you!

Thank you to the citizens of Dodge City that have been there and supported me appropriately. We may not always agree and that is understandable but always know that I have no regrets with any of my decisions as a commissioner and/or mayor. I truly made every decision for the best interest of all of you and Dodge City.

Sincerely,

Joyce Warshaw
